

Kelly Cemetery

Caton, Steuben Co., NY

2 variation's of same cemetery, incorporated together. One was copied by Eleanor Riley Cummings from the records held by Agatha Criss Kinner, other copy was done noted as per - George Hill - dated 8/14/1978. Unknown when Kinner information was compiled, probably at a earlier date. **Please view notes to the side** for differences in readings. I used information of the Kinner copy for the base - changes/addition's - notes to the side are from the Hill copy.
